

Reading *Don Quixote*

¡A leer el *Quijote*!

April 23 is celebrated in Spain as the Book Day, since Miguel de Cervantes died that day in 1616. We also want to celebrate his classic *Don Quixote* at UMKC with **a public reading of the novel, in Spanish or English, open to students, staff, faculty and community.**

Come with your copy of *Don Quixote* and read/perform your favorite section!
