
The Honors-UA Partnership is hosting its first community service event and we need you help. We need volunteers to participate in an event entitled "Rake and Run". It will consist of UA and honors students working together to rake the yards of residents in the communities around University Academy. It will be a lot of fun for everyone involved and since it is the first large-scale event that we have had, it is really important that we have a good turnout. Here are the details:
