The City Internship Program is now taking applications for Winter Semester 2005. This program allows UMKC interns to work at City Hall on projects meaningful to their areas of study, gain a unique perspective on civic issues, and network for job opportunities, all the while serving the home city of their university.

Please visit the internship site on the city's website: www.kcmo.org/manager.nsf/web/cityinterns Here you will find an overview of the program as well as a complete listing of internship opportunities.

Also, attached is the application form. Please copy this form to give to students who may be interested, as the on-line forms have not yet been updated. (Note the **December 1st deadline** for Winter Semester applications.)

I appreciate your assistance in getting the word out to your students. Please contact me if you have questions.
