The school of pharmacy is currently collecting books to send to the victims of hurricane Katrina. The main focus of our drive is school books, so if you have any old text books that are collecting dust, please donate them. If you have books you would like to donate please contact me.

The Kauffman Foundation is looking for college students that are interested in working with middle school students in their Scholar's Program. The position is "Substitute Life Coach" and must be available to substitute in their after school program M-Th from 3:30-4:30 in Kansas or Missouri. (I am not sure of the exact sites) The Life Coach follows and teaches a life skills curriculum and is paid \$21 per hour.

The adolescents in this program are from all schools in Kansas City Kansas and Kansas City Missouri School Districts, are low income and are very diverse. This is an incredible opportunity if you have the time...you would basically be on call for those hours as was needed.
