

UMKC HONORS PROGRAM

WEEKLY NEWSLETTER

February 26, 2007

- I. Honors LLC Weekly Event
- II. Arts and Sciences Student Council Meeting
- III. Relay for Life
- IV. Theater Passes
- V. Study Abroad Scholarships
- VI. Honors 350 Progress

I. On March 2 at 7:00 there will be an opportunity for honors students to try out their Risk skills against each other. You can meet in the Honors Study Room, in the Oak Street Residence Hall.

II. As most of you are students in the School of Arts and Sciences; it is important that you know what is going on with your council. This Tuesday, February 27, we will be holding our Meeting in the **Oak Street dorms classroom** promptly at 6pm on February 27th. We will have our Arts and Sciences Student Council t-shirts available at the meeting and there will also be snacks provided! So come and vote on our Constitution and other important issues.

III. Once again UMKC will be have their very on Relay for Life on Campus. This is a great opportunity for you to get involved and help raise money to fight cancer. If you would like any information about this years fundraiser e-mail Adrienne May at Adriennemay@umkc.edu.

IV. All honors student have access to free tickets to all UMKC Theater Department plays in addition to many plays at KC Rep. Attached is the information sheet on the latter. To get a Theater Dept. pass, go see Sally Conrad in 204 Haag Hall.

V. The Center for International Academic Programs is currently accepting applications for study abroad scholarships. Applications will be due beginning March 1st and range in award amount from \$250 for summer and up to \$5000 for semester. For more information, go to: <http://www.umkc.edu/international/Scholarships%20Study%20Abroad.htm>

VI. In the attached announcement you will see some of the great work of the Honors 350 students! They cordially invite all students to submit proposals to make UMKC more environmentally sustainable. The projects can be of any scope and you can work individually or in groups. Winning proposals will get published in *Lucerna* and the top two will be awarded prize money. Also, please tell your friends about this great opportunity to think creatively and help UMKC be more environmentally responsible: <http://cas.umkc.edu/honors/Sustainable.pdf>
