Coro Leadership Center - St. Louis is now accepting applications for the 2008-2009 **Coro Fellows Program in Public Affairs.**

### *The Coro Fellows Program in Public Affairs*

The Fellows Program seeks qualified candidates from all disciplines who are committed to public service. Our most qualified candidates are confident, energetic and open-minded. The nine-month, full-time, graduate-level training program provides Fellows with a unique opportunity to develop an understanding of public affairs and decision-making through hands-on exposure to individuals and institutions that influence life in one of five major urban areas—St. Louis, New York, San Francisco, Los Angeles, or Pittsburgh

**Please note that January 11, 2008 is the application deadline for the program that begins in September 2008.** Applications can also be downloaded from our website at [www.coro.org](http://www.coro.org).
