

Professional Development Content Courses

late afternoon and evening for
Secondary School Mathematics Teachers

*The UMKC Department of Mathematics and
Statistics presents...*

Our new **Professional Development** page!

<http://cas.umkc.edu/math/MathTeacherProfDev.htm>

Why Might You be Interested?

You might want to

- Earn graduate credit to
 - "advance along a **Career Ladder**" or "move on a **salary schedule**"
 - become "re-certified" or "**Highly Qualified**" (to meet NCLB standards)
- **Work towards an eventual Master's degree** in Mathematics and Statistics
- **Improve and deepen your own understanding** of Mathematics
- Earn additional graduate mathematics credit hours to be approved as a **dual-credit (concurrent enrollment) Lecturer in Mathematics** through your local university or college.

We can help... **Visit our new web page and see for yourself!**
