

Free on Blackboard & YouTube!
Mathematics Video
Lectures
for
College Algebra and Calculus I

EITHER

Go to the UMKC YouTube EDU site at <http://www.youtube.com/user/UMKC>

OR

(1) Log on to **Blackboard** [<http://blackboard.umkc.edu>] with your UMKC user name and password, and follow these instructions to

Self-Enroll in Blackboard for “Mathematics Videos”.

- At the bottom left of your “My UMKC” page, click the "Browse Organization Catalog" link.
- At the top-left of the "Browse Organization Catalog" page, in the "Search Catalog" box, type "mathematics" (without the quotation marks, of course), and click the "GO" button.
- The "Mathematics Videos" Organization site name & description (among others) will appear.
- Click the "Enroll" button on the right.
- When the "Self-Enrollment" screen appears, click the "Submit" button on the right.
- On the next screen, click "OK". That's all!
- Once your submission is accepted, at the top of the page click your “My UMKC” tab.

(2)

- From your “My UMKC” page, click on the Organization: “**Mathematics Videos**”.
- On that page, read over “**Helpful Info**”.
- On that page is a button link to “**College Algebra Videos**” and “**Calculus Videos**”.
- Just click on any video link to play it (most computers are set up to play videos.)
- The videos follow our current Calculus text, but not exactly the College Algebra text.
