Directions to Activate and Access Your UMKC Student E-Mail

Step 1 – Identifying Your Username

- Go to the web site at: <http://www.umkc.edu/Exchange-FAQ> to get started.
- Click on the link that says: [What is my Username?](#)
- Enter your student ID number and click the “Lookup” button.
- The next page displays your username. You will need this username to complete the process.
- Click the “Back” button on your Internet Browser (e.g., Netscape, Explorer) to go back to the <http://www.umkc.edu/Exchange-FAQ> page.
- Go on to Step 2 to set a new password.

Step 2 – Setting Your Password

- Enter your birth date and the last four digits of your student ID number in the next box. Use the following format to access the account: if you were born March 4th (03/04) and the last four digits of your student ID number was 1234, you would enter 03041234.
- Set a new password in the next box by entering no fewer than 5 digits and no more than 12 characters. This password is CASE SENSITIVE (for example, abcde is different than ABCDE).
- Confirm the spelling of your new password by entering the same password in the last box.
- Click “Update” to set your new password

You have now activated your new UMKC e-mail account.

****Attention:** Activation of your UMKC e-mail account is very important; all University communications go to your University e-mail account (e.g. Registration Information, Financial Aid, UMKC Announcements, Instructor Correspondence).
