| <b>300CF</b> | Special Topics in Social<br>Note: Class meets Saturdays, Feb. 28 and March 14, at the AARP State Office, 700 W. 47th St., Suite 110 (northwest corner of 47th and Jefferson), Kansas City, Mo. This course focuses on how American society cares for older adults, giving both an historical context and addressing the needs of our future older adult baby boomers. It will examine the deep system change from institutionalization to person centered care that promotes aging as life affirming and humane for our elders and those who work with them. This course will explore best practices in caring for our older adults and implication for changing policy, values, beliefs and attitudes as it relates to the changing face of aging.
