

Dear prospective UMKC MFA Acting student,

Thank you for your interest in the nationally and internationally recognized theatre programs at the University of Missouri-Kansas City. Over the years the core faculty of the Professional Actor Training Program have discussed the advantages of limiting the number of actors in residence.

We are now ready to restructure the program by only having two classes in play during any given year. This would mean that next year we would train 2<sup>nd</sup> and 3<sup>rd</sup> year classes and recruit in January 2011 an incoming class for admission Fall 2011.

As a faculty committed to the highest standard of conservatory training we are excited about this new artistic structuring and look forward to deepening the creative experience we can offer our students as we prepare them to take their place in the professional world.

You can stay up-dated on the program at [www.umkc.edu/theatre](http://www.umkc.edu/theatre) <<http://www.umkc.edu/theatre>> and also look for us at [www.facebook.com](http://www.facebook.com) <<http://www.facebook.com>>.

Sincerely,

Theodore Swetz, Head of Acting
