ANTHRO 205: The Social Life of Things (deactivating to replace new course proposed above)

SOCIOL 205: The Social Life of Things (deactivating to replace new course proposed above)

ASTR 150: Motions of the Cosmos Conditionally **Approved** pending revision of course description

PHY-SCI 150: Motions of the Cosmos Conditionally **Approved** pending revision of course description

PHYSICS 150: Motions of the Cosmos Conditionally **Approved** pending revision of course description

NAT-SCI 150: Motions of the Cosmos Conditionally **Approved** pending revision of course description

ASTR 155: Starlight and Star Stuff Conditionally **Approved** pending revision of course description

PHY-SCI 155: Starlight and Star Stuff Conditionally **Approved** pending revision of course description

PHYSICS 155: Starlight and Star Stuff Conditionally **Approved** pending revision of course description

NAT-SCI 155: Starlight and Star Stuff Conditionally **Approved** pending revision of course description

Theatre 431: Rendering Techniques For The Theatre Designer I **Approved**

Theatre 333: History of Costuming I **Approved**

Theatre 352: History of Costuming II **Approved**

INTGR 201: Advanced Pre-Hospital Life Support I Conditionally **Approved** pending revision of course description

INTGR 202: Advanced Pre-Hospital Life Support II Conditionally **Approved** pending revision of course description

## Other Action Items

- Need to vote on the updated language in catalog regarding AA degrees from KS (see below for proposed language) **approved**
- Need to vote on the updated language in catalog regarding Constitution Requirement (see below for proposed language) **approved**

*Proposed language:*

### **Transfers with an Associates of Arts Degree from another Missouri Institution or from a Kansas Institution**

Students transferring into the College of Arts and Sciences with an Associate of Arts degree from either another Missouri institution or from a Kansas Institution must complete the following requirements for baccalaureate degrees in the College:

#### **Bachelor of Arts and Bachelor of Liberal Arts**

- Foreign Language 211 (or equivalent).
- Missouri Constitutional Course Requirement.
- RooWriter Assessment.
- Junior/senior-level Writing Intensive course.

#### **Bachelor of Science**

- Missouri Constitutional Course Requirement.
- RooWriter Assessment.
- Junior/senior-level Writing Intensive course.
- 60 credit hours minimum (including hours in the major) in math and science.

## **Transfers with a Certified 42-hour block from another Missouri Institution**

Students transferring into the College of Arts and Sciences with a certified 42-hour block of general education credit from another Missouri institution must complete the following requirements for baccalaureate degrees in the College:

### **Bachelor of Arts and Bachelor of Liberal Arts**

- Foreign Language 211 (or equivalent).
- Missouri Constitutional Course Requirement.
- RooWriter Assessment.
- Junior/senior-level Writing Intensive course.

### **Bachelor of Science**

- Missouri Constitutional Course Requirement.
- RooWriter Assessment.
- Junior/senior-level Writing Intensive course.
- 60 credit hours minimum (including hours in the major) in math and science.

Need to vote on whether students coming to the CAS with a Bachelor's Degree would automatically meet the CAS degree requirements – **After discussion, the committee decided to continue to require the Foreign Language requirements for the BA and the BLA, and to continue to require the math and science credit hour requirement for the BS; Becky will draft language for the catalog and this will be forwarded to the committee for review, and then will forward to the Steering Committee to confirm whether the decision/recommendation needs a vote from the full faculty**

- Background from Becky: A decision was made by the university that all UMKC Core requirements will be considered met, if a student has a previous bachelor's degree. Does A&S want to consider making the same rule for the CAS degree requirements for second-degree seeking students (with the exception of the Constitution requirement)?
